

Currant Affairs

April 23, 2023 Edition

Compiled regularly by Nick Riordan on behalf of Yarcucopia (a program of Alaska Community Action on Toxics) and the Alaska Food Policy Council

****Marks new and updated items in this issue**

WORKSHOPS, WEBINARS, & SPECIAL EVENTS

April 27

Intro to Gardening in Alaska hosted by Habitat for Humanity from 4 – 6 pm at the ReStore in Midtown Anchorage. <https://fb.me/e/10nIGoBjm>

****April 27**

Beginning and Young Farmers Network: Leadership Team Development hosted by the Alaska Farmers Market Coalition - <https://alaskafarmersmarkets.org/events/>

April 28

AARP Gardening series: Smart Solutions for Reducing Gardening Aches and Pains - Join AARP Alaska and Art Nash from the Cooperative Extension Service to learn about ways to make gardening easier as we age. Art will share a variety of tools and ideas to help us garden when we have issues bending, kneeling, lifting, or even moving around to garden. [Register here](#)

April 28

Tree Care for the Homeowner class hosted by Anchorage parks and rec staff. Registration and a complete list of classes at [their website](#).

April 30

Beyond Compost: Other Ways to Build Healthy Soil (an Ak Mill and Feed class series) taught by the wonderful Ellen Vande Visse. Sure to be entertaining and enlightening.

****May 1**

Anchorage Public Library begins their **Grow Together garden series**. In may we will be covering Seed Starting, using seeds provided by the library as examples. This year's seeds include Sugar Ann Peas and Dianthus flowers. To-go packets available at all APL locations for the duration of the month or as long as supplies last.

****May 1**

A free screening of **NOVA: WEATHERING the FUTURE** at 5:30pm at the [Bear Tooth Theatrepub](#) presented by Alaska Public Media. [NOVA: Weathering the Future](#) examines the dramatic ways in which our weather is changing. From longer, hotter heat waves, to more intense rainstorms, to megafires and multi-year droughts, the U.S. is experiencing the full range of impacts from a

changing global climate. At the same time, many on the front lines are fighting back—innovating solutions, marshaling ancient wisdom, and developing visionary ideas. Accompanying the film will be two video shorts by Alaska Public Media and discussion guided by [The Nature Conservancy Alaska](#) all highlighting Alaska's unique place and innovations in this important conversation. Tickets are available now only at the Bear Tooth box office (1230 W 27th Ave). Two tickets per person. Don't delay as seats are limited! For more information, go to alaskapublic.org/events.

****May 1**

Alaska Native Plant Society meeting will feature a presentation on the "Flora of Chugach State Park" presented by Aaron Well. 7:00 – 9:00 pm. Join the meeting at <https://zoom.us/j/93828332935?pwd=MXlKWk8yVFVUK3AxbnNiT3lZMEtjUT09>. Meeting ID: 938 2833 2935 Passcode: 362610.

****May 4**

Anchorage Garden Club meeting: Topic TBA

****May 7**

Pre-emptive Protection from Plant Diseases presented at Alaska Mill and Feed's classroom. Sign up at 907 276 6016 or <https://alaskamillandfeed.com/classes/>. Cost of \$5

****May 12**

Trowel and Error: Maintaining a Raised Bed Garden is the topic of the next Anchorage Parks and Rec garden class. Our horticulturalists will share lessons learned and tips for managing your bed so you still have time to enjoy our short summer. Participants will receive plant "plugs" to transplant into their own home gardens. Dress appropriately for an outdoor class.

****May 13**

Alaska Botanical Garden Spring Plant Sale begins!

****May 15**

Avian Flu in Alaska; An Update with Dr. Bob Gerlach at 6 pm. Avian Influenza is still present in Alaska and Migratory Birds are expected to increase the risk to poultry. Dr. Gerlach will be providing updates of the current outbreaks from across North and South America and what you can do to protect your poultry. This class will be held at the UAF Matanuska Experiment Farm and Extension Center in Room 208 of Kerttula Hall as well as via Zoom for those unable to attend in person. To Register <https://alaska.zoom.us/j/84607542771>

****May 15**

AMGA membership meeting is an **Introduction to Beekeeping** with Alexa Pullen. 7 pm

****May 17**

Landscaping with Native Plants presented by Patrick Ryan, ABG Education Specialist at 12 pm. There are good reasons to include native plants in your landscape. Briefly, native plants can provide a natural habitat for native insects and birds. They also prevent soil erosion and require little maintenance. Register in advance for this free class: <https://bit.ly/LandscapeNativePlants>

****May 18**

Backyard Insect Ecology class offered by CES will cover insects in your yard and their role in the environment! Class is from 12pm – 1 pm on Zoom.

****May 23**

Pest Barriers and Trap Crops at 12 pm. Curious about ways to stop pests from invading your garden? UAF IPM technician, Joey Slowik, will discuss methods of planning a garden with pests in mind. He'll talk about where those pests come from and go over some methods to slow their movement like barriers and trap crops. This class will focus on bug/slug content rather than plants. It will be held in room 208 of Kerttula Hall at the UAF Matanuska Experiment Farm and Extension Center as well as via Zoom for those unable to attend in person. Feel free to bring your lunch if joining us in person. ****In-Person & via Zoom. Must Register to attend**** To Register <https://alaska.zoom.us/j/89981712570>

****May 24**

Urban Harvest: Foraging Forest Walk from 6-8pm. Walk into the urban forests of Anchorage with wild foods and edible plants in mind. Learn about the nutritional properties of spruce tips and other prevalent plants as you gather some for your home use on this guided walk. Discuss ethical harvest practices as you delve into what Anchorage area forests have to offer your home kitchen. This program is part of a summer series of wild harvest walks, in connection with the exhibition *Good Medicine*. Comfortable walking shoes and layered dress recommended. Free. Registration recommended for communication. [Visit the website here.](#)

****May 24**

Landscaping for the Birds at 12 pm. Join Bird Treatment Learning Center volunteer and bird biologist Lisa Pajot and local landscape architect, M. Elise Huggins, as they present the birds most likely to visit your Southcentral Alaska yard and what you can do to protect, encourage and attract them. Lisa will review bird habitat requirements and what makes a great place that will attract and support our local bird population. Accompanied by fabulous bird photos and identification tips, they will then add a design dimension to the presentation, exploring ways to look at your landscape holistically, options to protect birds from predators along with images of successful landscapes. Register in advance for this free class: <https://bit.ly/LandscapingforBirds>

****May 25**

Anchorage Audubon will start giving away 10,000 white spruce seedlings in an attempt to offset the bird habitat and landscaping losses due to the Spruce Bark Beetle, in Anchorage, All the information about the Free Trees is now on a new website. [CLICK HERE](#) for all the details.

****June 1**

Join **Anchorage Public Library** for our **Growing Together gardening program series Part 2**. In June we will be covering Garden Infrastructure including this month's craft of making your own mini trellises for the pea plants we started in May. To-go packets available at all APL locations for the duration of the month or as long as supplies last.

****June 3**

Anchorage Garden Club Plant Sale from 9 am – 4 pm. See Facebook page for details

****June 3**

Wildflower Garden Club Plant Sale from 9 am – 3 pm. Location TBA

June 3

Boyers Orchard Blossom Festival 12-4 pm (Tickets for sale starting April 1st). There'll be live music, local vendors, & trees and shrubs for sale. Get this in your calendar!

****June 20**

Research on Managing Weeds and Pests. Come to the UAF Matanuska Experiment Farm and visit the fields with Invasive Plants guru, Gino Graziano, as he shares the research he's working on regarding managing weeds and pests in Alaska. This class will be held outside, so please dress appropriately for the weather. ***This class is in person only - You Must Register to Attend*** Click on the link to register. <https://forms.gle/yhoVrZaqYTbPedp4A>

****June 30**

Grow North Farm's first Thursday farmers market with food trucks

What did I forget?? Send along ideas and updates!

PROGRAM and JOB ANNOUNCEMENTS and UPDATES

****Job opening at the Anchorage Soil and Water Conservation District.** They're recruiting for a position to lead development of a new Native Plants Program focused on addressing unmet needs for plant materials for revegetation, restoration, and potentially landscaping projects in Southcentral Alaska. The position posted on April 20 and the first review of applications will begin on May 3

****Anchorage 2023 Youth Employment in Parks Summer Positions** is now open. Anchorage Park Foundation is Hiring Contractors, Youth Crews, and Interns. Anchorage teens ages 16 to 19 years old can get paid to work outside, make lifelong friends, and learn how to improve our public parks and trails. [Apply for a position!](#)

****Healthy and Equitable communities grant program for Alaska through the USDA.**

****Third annual Veg Fest** to your calendar. Scheduled for Saturday, September 23 from 10 am – 4 pm at the Performing Arts Center

Tim's Plants, Produce and Worms will be **selling a variety of berry plants** from his place on Wednesday evenings and Saturday midday from April 26th through most of May. Times, location, varieties, and prices will be posted on Facebook in Marketplace, Alaska Farm and Food, Alaska Pioneer Fruit Growers, and Tim's Plants, Produce and Worms as well as on Craigslist in Farm and Garden. Sorry, no website.

Introduction to Ethnobotany University of Alaska class (EBOT F11 / ANTH F102 – 3 credits) offered in May and June with a July field trip. 'Ethnobotany 100 surveys concepts of botany and ethnobotany in the context of Alaska Native cultures, including: plant biology and taxonomy, scientific and ethnobotanical plant collection methods, traditional plant uses (working with Alaska Native Elders / oral history recordings), and how the resulting ethical awareness contributes to other fields of study.

Treats for your Chickens available at 3740 Williams Street on Monday's and Thursday's. These are vegetables and fruits collected from a nearby commercial kitchen and made available by ACAT's Yarcucopia program. Bring your own container, keep things tidy, and text or call Nick @ 907-717-4392 to get on the group text that lets you know when the bins are full and when they're empty. Leftovers go to our chickens and compost piles.

Friends of Boyers Orchard will be opening their 'Sponsor-A-Tree' for sign-ups soon. Check their website and pick out a tree you'd like to learn to take care of and harvest from this summer

Farmers Market Coalition is **hiring two remote positions** – [apply on their website](#)
