

Currant Affairs

April 7, 2023 Edition

Compiled regularly by Nick Riordan on behalf of Yarducopia (a program of Alaska Community Action on Toxics) and the Alaska Food Policy Council

****Marks new and updated items in this issue**

WORKSHOPS, WEBINARS, & SPECIAL EVENTS

****April 8**

Seeds of Change will be at Arctic Harvest's **Second Saturday Market**. The event runs from 12 – 4 pm and is at 144 E Potter Drive (Arctic Harvest warehouse).

****April 10**

Anchorage Museum's Urban Harvest series: Composting 101 starts at 6 pm at the Seed Lab. Free, registration recommended. [Event details and registration info can be found here.](#)

****April 11**

Forming a Farmer Collective is the topic of the next GROW Program (RurAL CAP) and AK Tribes Extension Program event. [Learn more and register here.](#)

April 11

Anchorage Museum's Urban Harvest series: Weeds vs Invasive Plants starts at 6 pm. [Event details and registration info can be found here.](#)

April 13

Wildflower Garden Club of Alaska's regular monthly meeting for April is **Growing Arctic Garlic presented by Deb Blaylock**. Usual time and place (10 am at Central Lutheran Church)

****April 13**

Long term health effects on children from Glyphosate exposure is the title of a Collaborative on Health and the Environment (CHE) presentation coming up. Glyphosate is the most common herbicide used in agriculture and is commonly used by homeowners as well. Join this presentation to better understand the costs to our children's health associated with these toxic chemicals. [Visit the CHE website and register here.](#)

****April 13**

The Ins and Outs of Soil Sampling is the topic of Homer Soil and Water Conservation District's next talk from 6-7pm. It is both in-person in Homer and via Zoom. [Learn more and register here.](#)

April 14

AARP Gardening series: Vegetable Gardening - Join AARP Alaska and Steve Brown from the Cooperative Extension Service in this workshop to learn how growing bountiful veggies is very

easy if you know the tips of the far North. This presentation will show you the secrets behind planning, planting, season extension, fertilization and pest control. [Register](#)

April 14

Container Gardening class hosted by Anchorage parks and rec staff. Registration and a complete list of classes at [their website](#).

April 17

Tree Care for the Homeowner will be the topic of the April AMGA members meeting. Guest speaker Luis Lemus, 7-8 pm.

April 18

Backyard Pollinators is the topic of discussion for the Cooperative Extensions next talk, presented by Alex Wenninger, UAF CES IPM Technician. Join to learn more about the pollinators in your backyard. We'll cover some of the lifestyles of bees as well as how to recognize some of our common bees and other pollinators in Alaska. We'll also cover some ways to attract pollinators and how to be good pollinator stewards in your own gardens. ***Zoom Only - You Must Register*** To Register: <https://alaska.zoom.us/j/86534513877>

April 20

Composting Basics - Put on by the Cooperative Extension, this class covers the basics of composting to allow you and your family, neighborhood, or community a chance to make a great soil amendment from garbage and how this helps the landfill. This class will be held in person at the UAF Matanuska Experiment Farm and Extension Center in room 208 of Kerttula Hall as well as via Zoom. Please feel free to bring your lunch if you'll be joining us at the farm. Please register through this link <https://alaska.zoom.us/j/83209051977>

April 21

AARP Gardening series: Soil Basics - Join AARP Alaska and Leif Albertson from the Cooperative Extension Service who will share his secrets to great soil for gardening. Soil is crucial for plant growth, but soil science can feel intimidating for new gardeners. In this presentation on soil basics, Leif will break down some of the mystery and magic that is happening in the ground around us and share simple things gardeners can do to optimize plant growth. [Register](#)

April 22

Garden Day at the Midtown Mall with the Anchorage Garden Club, Anchor Gardens, & more

****April 22**

Earth Day event at Habitat for Humanity's ReStore in Midtown from 11 am – 4 pm. There will be free electronics recycling and other recycling-themed organizations tabling.

****April 27**

Intro to Gardening in Alaska hosted by Habitat for Humanity from 4 – 6 pm at the ReStore in Midtown Anchorage. <https://fb.me/e/10nlGoBjm>

April 28

AARP Gardening series: Smart Solutions for Reducing Gardening Aches and Pains - Join AARP Alaska and Art Nash from the Cooperative Extension Service to learn about ways to make gardening easier as we age. Art will share a variety of tools and ideas to help us garden when we have issues bending, kneeling, lifting, or even moving around to garden. He is an expert in Universal Design principles and adaptive modifications for gardening. This class will share ideas and resources for you to try or share with others who want to keep on growing. This class will share ideas and resources for you to try or share with others who want to keep on growing. [Register](#)

April 28

Tree Care for the Homeowner class hosted by Anchorage parks and rec staff. Registration and a complete list of classes at [their website](#).

April 30

Beyond Compost: Other Ways to Build Healthy Soil (an Ak Mill and Feed class series) taught by the wonderful Ellen Vande Visse. Sure to be entertaining and enlightening.

****June 3**

Boyers Orchard Blossom Festival 12-4 pm (Tickets for sale starting April 1st). There'll be live music, local vendors, & trees and shrubs for sale. Get this in your calendar!

What did I forget?? Send along ideas and updates!

PROGRAM and JOB ANNOUNCEMENTS and UPDATES

****Tim's Plants, Produce and Worms** will be **selling a variety of berry plants** from his place on Wednesday evenings and Saturday midday from April 26th through most of May. Times, location, varieties, and prices will be posted on Facebook in Marketplace, Alaska Farm and Food, Alaska Pioneer Fruit Growers, and Tim's Plants, Produce and Worms as well as on Craigslist in Farm and Garden. Sorry, no website.

****Introduction to Ethnobotany** University of Alaska class (EBOT F11 / ANTH F102 – 3 credits) offered in May and June with a July field trip. 'Ethnobotany 100 surveys concepts of botany and ethnobotany in the context of Alaska Native cultures, including: plant biology and taxonomy, scientific and ethnobotanical plant collection methods, traditional plant uses (working with Alaska Native Elders / oral history recordings), and how the resulting ethical awareness contributes to other fields of study.

****Chicken Treats** available at 3740 Williams Street on Monday's and Thursday's. These are vegetables and fruits collected from a nearby commercial kitchen and made available by ACAT's

Yarducopia program. Bring your own container, keep things tidy, and call Nick @ 907-717-4392 to let us know you want us to save you some. Leftovers go to our chickens and compost piles.

****Friends of Boyers Orchard** will be opening their '[Sponsor-A-Tree](#)' for sign-ups soon. Check their website and pick out a tree you'd like to learn to take care of and harvest from this summer

****Farmers Market Coalition** is **hiring two remote positions** – [apply on their website](#)

ABG Learning CSA is open for registration - <https://www.alaskabg.org/guidedgardeningcsa>

Mountain View & Girdwood libraries have seed libraries available, and the Anchorage Loussac Library will have seed starting kits available starting May 1st.

Spring Creek Farm is hiring a part-time youth agriculture education coordinator for this summer! [Click here for more info.](#)

Catholic Social Services is hiring a **Summer Associate to help support their Refugee Enterprise & Agriculture Program.** [More information about this amazing program and the job can be found here.](#)

Alaska Food Policy Council published their [2022 Annual Report](#) and [Food Security Action Plan & Executive Summary](#). Check these out!

Alaska Botanical Garden is hiring a handful of summer positions – [Check out the list here.](#)

Calypso Farm (near Fairbanks) is hiring a **Summer Farm Educator** for ages: 16 and up for May 30 to August 11(with the possibility to extend). [Learn More & Apply!](#) *Please note: applications will be reviewed as they are received, so we encourage you to apply early!

Calypso Farm (near Fairbanks) will be hosting a 'Beginning Farmer Training Program' this summer (June 12-14 / July 17-19 / August 7-9). Led by Indigenous farmers in partnership with the farmers at Calypso, this hands-on program will teach participants how to grow vegetables in a way that is transferable to village communities. Visit calypsofarm.org/indigenous-agriculture

AG Matters on Palmer's Big Cabbage Radio has tons of new content. Check out past episodes here - <https://www.radiofreepalmer.org/category/ag-matters/>

Share Waste is [a handy website](#) for seeing where to drop off food waste to be used by neighbors in personal compost piles, fed to flocks, and used at community gardens. This isn't a 'new' website, but it might be new to you! In my experience, the more people using Share Waste (giving and receiving), the better it will work - <https://sharewaste.com/>

Harvest of Hope Garden at the Lutheran Church of Hope is run by Don Bladow, producing thousands of pounds of fresh produce each summer distributed by the Lutheran Social Services Food Pantry. Learn more at Don's [blogspot for the garden](#).

Yarducopia (a program of Alaska Community Action on Toxics) is accepting signups for gardeners looking for growing space, landowners offering space, and volunteers offering time to help make it all happen. Reach out to Yarducopia at garden@akaction.org or [their website](#).

Alaska Master Gardeners Anchorage and the **Alaska School Garden Network** compile a list of public garden projects and volunteer opportunities – [you can view it here](#).

FINDING FOOD: FARMERS MARKETS, FOOD PANTRIES, & FOOD HUBS

The Alaska Farmers Market Association launched a [Farmers Market Toolkit](#) for starting, enhancing, and supporting a farmers' market in your community. Well done AFMA!

The Alaska Farmers Market Association's [Market Directory](#) helps you easily find farmers markets you live near, the address, hours, etc.

A List of Anchorage Food Pantries can be found at [AnchorageFood.org](#) (Address, hours, etc.)

Locally Grown Resource Guide made by the Mat-Su Cooperative Extension – [Link to PDF](#).

Local Food Pickups in Anchorage and Valley - goat milk, duck/chicken eggs, and chicken, turkey, goat, and rabbit meat. Call or text (907)-885-7732 Or (907)-312-6779

LunaChick Farm sells sustainably raised animals, eggs, etc with drop-offs on the Kenai Peninsula, Anchorage, and Valley. Learn more about the operation [here](#) or [here](#) or this [entertaining radio interview from 2020](#).

Whispering Bay Ranch has **local eggs for sale** in Anchorage on Thursdays, Mat-Su on Mondays. Chicken and Duck. (907) 885-7732

Arctic Harvest Deliveries – [a great source of local foods!](#)

Alaska Food Hub opened for its 7th season, with pick-ups in Homer, Soldotna, Ninilchik, and Seldovia, with more locations in the works.

Support Alaska's American Indian Producers - <https://www.indianagfoods.org/alaska-1> & check out Ag Alaska's list of AK farms - <https://agalaska.org/alaska-farms/>

Blue Market carries lots of locally grown and fermented foods throughout the winter. You can find **Happy Mushrooms**, **Common Root** kimchi and curtido, greens from **Seeds of Change** & much more.

City Farms is an indoor hydroponics farm in Anchorage. Their veggies can be found at New Sagaya, Natural Pantry, Fred Meyer, and Walmart. <https://www.cityfarmsalaska.com/>

Local Greens sell hydroponically grown veggies year-round in Anchorage. [Get a weekly or every-other-week subscription](#), and pickup at Double Shovel Cidery at your convenience

Far North Fungi grows and sells fresh and dried mushrooms in Anchorage & teaches fungi cultivation.

Anchorage Greens sells direct to consumers through a weekly Green Bag subscription as well as folks who stop by for on-site ala carte purchases. <https://www.anchoragegreens.com/>

Alaska Sprouts sells sprouts and microgreens online for pickup in Anchorage - <https://www.alaskasprouts.com/> . Read more about their story in a [2017 issue of Edible Alaska](#)
