PROGRAM and JOB ANNOUNCEMENTS and UPDATES

****Job opportunity at Seeds of Change** – Agricultural Specialist - You can reach out to Sara Renard via email - srenard@akbh.org for a copy of a *detailed* job description and job preview.

****ABG is hiring a Facilities Maintenance Associate** this Fall – Great people and organization to join. Check out the [job advertisement](#) and their website for more info.

****Regional Food Business Center Director at AFPC** <https://www.akfoodpolicycouncil.org/job>

Call for Volunteers and Native Plants - To help support the vision of the Habitat Rehabilitation Project planned for the forested portions of the 5 acres the BP building sits upon, they are looking for donations of native plants to reestablish the forest understory. If you have an upcoming garden project and need to rehome any native plants, please consider letting us know. If you are interested in volunteer opportunities associated with this extensive project, we want to hear from you! You can contact our Director, Melody Price at mprice@alaskacf.org for more information.

The 'Teaming With Microbes' podcast series with Jeff Lowenfels and Jonathan White promotes organic gardening and addresses Alaska and Anchorage specific gardening and yardening issues. Available through the Anchorage Daily News

Southcentral Alaska Beekeepers Association monthly meetings. We're a friendly and diverse group of Alaskans with a common interest: Bees! SABA meets the fourth Monday of each month (except December) at the VFW Post 9785 10527 VFW Rd. Eagle River, AK from 6:30 - 8:30pm. Meeting reminders emailed out each month to members.

Alaska Food Policy Council is searching for an Operations and Strategic Planning Coordinator. Learn more here <https://www.akfoodpolicycouncil.org/job>

Composting class series offered through Anchor Gardens, Mountain View Library, and SWS. Backyard composting and vermicomposting. Knowledgeable teachers and a range of dates, times, and locations. All free. Check out the class dates and topics [here](#).

Matanuska Community Farmers Market is a new farm and food-specific market in Palmer so you can buy food directly from the amazing growers in the area. Market started Wednesday June 14 and will go through September every Wednesday from 4-7 pm in the parking lot of the United Protestant Presbyterian Church of 1,000 Logs (713 South Denali Street).

AG Matters on Palmer's Big Cabbage Radio has tons of new content. Check out past episodes here - <https://www.radiofreepalmer.org/category/ag-matters/>

Herb Study Group - The Herb Study group meets the second Friday of each month from noon - 1 p.m. for lively discussion and hands-on activities that center around specific herbal topics. These meetings will be held virtually using Zoom and are free and open to the public. Please email anchorageherbstudygroup@gmail.com for information on how to join

AFPC's Food Waste Working Group is compiling a living archive of food waste activity across the state. Take their survey here - <https://www.akfoodpolicycouncil.org/foodwaste>

Midtown and Spenard Community Gardens weekly workdays on Sunday 10-1 and 2-5 pm respectively. Follow the links to the [Midtown](#) and [Spenard Garden](#) Facebook pages

Midtown Garden Depot has weekly composting workshops on Tuesdays 6-7pm. This is an opportunity to bring your compostable organics, learn how to compost them, and take home a great soil amendment and composting worms! The **Depot also has regular 'office hours'** on Wednesday from 6-7 pm. Come chat, figure out how the Depot works in person, lend a hand, and get help loading and unloading materials.

Treats for your Chickens available at 3740 Williams Street on Mondays and Thursdays. These are vegetables and fruits collected from a nearby commercial kitchen and made available by ACAT's Yarcucopia program. Bring your own container, keep things tidy, and text or call Nick @ 907-717-4392 to get on the group text that lets you know when the bins are full and when they're empty. Leftovers go to our chickens and compost piles.

Share Waste is a [handy website](#) for seeing where to drop off food waste to be used by neighbors in personal compost piles, fed to flocks, and used at community gardens. This isn't a 'new' website, but it might be new to you! In my experience, the more people using Share Waste (giving and receiving), the better it will work - <https://sharewaste.com/>

Harvest of Hope Garden at the Lutheran Church of Hope is run by Don Bladow, producing thousands of pounds of fresh produce each summer distributed by the Lutheran Social Services Food Pantry. Learn more at Don's [blogspot for the garden](#).

Yarcucopia (a program of Alaska Community Action on Toxics) is accepting signups for gardeners looking for growing space, landowners offering space, and volunteers offering time to help make it all happen. Reach out to Yarcucopia at garden@akaction.org or [their website](#).

Alaska Master Gardeners Anchorage and the **Alaska School Garden Network** compile a list of public garden projects and volunteer opportunities – [you can view it here](#).

FINDING FOOD: FARMERS MARKETS, FOOD PANTRIES, & FOOD HUBS

Anchorage soil and water conservation district created an **interactive map of farmers markets in Anchorage**. Check it out! http://anchoragewcd.org/farmers_markets.html

Matanuska Community Farmers Market is a new farm and food-specific market in Palmer so you can buy food directly from the amazing growers in the area. Market started Wednesday June 14 and will go through September every Wednesday from 4-7 pm in the parking lot of the United Protestant Presbyterian Church of 1,000 Logs (713 South Denali Street).

Mat-Su Microgreens provides weekly deliveries of fresh microgreens to your door. Also available at Friday Fling in Palmer - <https://www.matsumicrogreensak.com/>

The Alaska Farmers Market Association new **Farmers Market Toolkit** for starting, enhancing, and supporting a farmers' market in your community.

The Alaska Farmers Market Association's [Market Directory](#) helps you easily find farmers markets you live near, the address, hours, etc.

Locally Grown Resource Guide made by the Mat-Su Cooperative Extension – [Link to PDF](#).
